12. Is this for program expansion? No Yes/No
13. Are youth your target population? No Yes/No
14. Do you have a plan for sustainability? Yes Yes/No
15. Do you have a plan to measure outcomes? Yes Yes/No
16. Age of organization: 37 Years
17. Amount requested: \$82,000
18. Percent of related project cost: 100%
19. Your current total net assets: \$794,897.00
20. Yearly salary of highest paid employee: \$84,000
21. Number of people that will be served: 40

22. How will this program result in long term benefit?

Completers will be prepared for gainful employment in healthcare in an area that is marked by poverty and a shortage in health care professionals.

23. How is this program innovative?

Students can take GED and college-prep classes concurrent with their classes for job skills, rather than having to first complete GED. This fast-tracks them to job and college readiness.
